

We are looking for volunteers!

*St Mary's Church, Saturday 26th
February at 10:00am*

**The church garden is in need of some
serious work and we need your help!**

**We won't sugar coat this, it isn't a pretty garden job
and it will include digging up weeds, bush cutting,
pruning and clearing paths BUT it will be the
start of something beautiful and we can't do this without
you (and your tools)**

*If you would like any more details or you think you can
help please contact*

Paul Bruch on 07759502561
